

NURSING MNEMONICS & TIPS

"THE HEART BLOCK POEM"

If the R is far from P,
then you have a **FIRST DEGREE**.

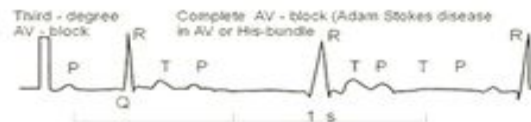

Longer, longer, longer, drop!
Then you have a **WENCKEBACH**.

If some Ps don't get through,
then you have **MOBITZ II**.

If Ps and Qs don't agree,
then you have a **THIRD DEGREE**.

LEARN MORE: **HEART BLOCKS**

Heart blocks are abnormal heart rhythm where the heart beats too slowly. In this condition, the electrical signals that tell that heart to contract are partial or totally blocked between the upper chambers (atria) and lower chambers (ventricles).
