Model Behavior

*A forbidden roommate romance
(Wrecked Roommates)*

Description

When you reach rock bottom, the only place to go is up...

Or, for me, apparently it's straight into the arms of the one person who's off-limits.

My brother's good friend and my new roommate.

"★★★★★ Well, butter my biscuit and sign me up for book 2 of this new series! I need more." - Melanie, Goodreads

It wasn't supposed to happen.

The one rule set when I moved in with them was no sexy shenanigans. Period.

Which should have been easy since the last thing I wanted after catching my boyfriend cheating on me was to start up a forbidden romance.

Especially not with the cocky, arrogant, too-hot-for-his-own-good River.

But when he needs a favor that ends up with us half naked and all over each other...

It lights a spark that soon erupts into an inferno.

And sneaking around only adds fuel to the fire.

After all, River is a sucker for things he can't have.

And now he wants me.

But when the past catches up with our present...

Old wounds and new secrets will be exposed.

Ones that might send me right back to where I started.
